

# Mrs. Pinney's Weekly Update

9-20-13

## Our Learning Goals for Next Week

**Reading**- We will review more consonant sounds and vowel town. During reading groups we will work on segmenting words.

**Writing**- We will continue handwriting and capitalization and punctuation.

**Math**- We will find missing parts of a subtraction problem and start solving subtraction word problems.

**Science** – We are learning the scientific method. This is the steps of an experiment. We are working on how to make observations during our experiments by using our 5 senses.

## Goal Notebooks

Your child has their goal notebooks with them this weekend. This is just for you to look through to see how they are doing with a few of the learning targets. We are starting slowly. They also have practice pages in their goal notebooks that they work on at school. I just ask that you look at their learning target sheets. You can have your child do some of the practice sheets if you have a dry erase marker but you don't have to do the practice pages. PLEASE bring them back Monday. We use them every day. Thanks!

## Important Dates

**September 25- Turn in HOMEWORK!**

**September 27**

Walk-A-Thon 12:45 – 1:30
